Dear Sir/Madam.

Thank you for your recent request regarding details of the Nottingham Anglers Association.

We are currently the largest Angling Club in the Nottinghamshire region and because of this we can provide anglers with a vast range of waters at very competitive subscription rates.

Most angling tastes are catered for, from fast and shallow to deep and slow rivers, and from small ponds to large gravel pits, we also have fishing on canals which, along with some still waters, now have no closed season.

Access for disabled anglers is a high priority and parking close to the water is available at a number of venues.

Some waters also have locked gates to aid security, a key can be obtained for a small fee which will open all of these gates.

It should be noted that a large proportion of our waters are for members only and day tickets cannot be purchased.

The association also run a number of club and open matches during the season and a series of very competitive disabled matches are also held.

I have listed venues available to members below, further details are given in the membership book or at www.nottinghamanglers.co.uk.

RIVER TRENT – Attenborough, Beeston Weir, Adbolton, Shelford, East Bridgford, Hoveringham, Pylon Field (East Stoke), Farndon.

RIVER MAUN - Walesby Scout Camp (Ollerton).

RIVER SOAR – Beeby's Meadow and Woodside (Kegworth).

CANAL – Grantham Canal (Hose), Grantham Canal (Gamston to Cotgrave), Beeston Canal (Beeston Lock to Lenton), Erewash Canal (Sandiacre Bridge to Station Road, Ilkeston).

PONDS AND GRAVEL PITS – Bestwood Duck Ponds (Papplewick), Oldmoor Pond (Strelley), Sowbrook Lake (Kirk Hallam), Newlands Ponds (Clipstone), Kings Mill Reservoir (Sutton-in-Ashfield), Kodak Lakes (Annesley), Attenborough Gravel pits complex, Thurlby Gravel Pit.

I hope I have shown that the association represents exceptional value for money and look forward to welcoming you as a valued member of the Nottingham Anglers Association.

An application form is printed on the reverse of this letter, if you require any further information please contact me at the address or phone number overleaf.

Yours Sincerely,

DAVID TURNER (General Secretary).
